

## **Greenleaf**

### **Landscape Maintenance**

#### **Landscape Maintenance Proposal**

Greenleaf Landscape Maintenance proposes the following Service Program for Lapwai School District 341, PO Box 247, Lapwai, Idaho 83540.

#### **Lawn and Turf Areas**

Turf areas shall be mowed at the recommended height on a weekly schedule during the active growing season (April through October) and as otherwise needed to maintain a neat appearance. This will include the following areas:

- Softball Field
- Elementary School areas
- High School areas
- Middle School area
- Tennis Court area
- Concessions
- Football field
- Kid's Play Ground

#### **Edging**

Turf shall be edged mechanically along paved and curved borders on a bi-weekly schedule during the active growing season and as otherwise needed to maintain a neat appearance.

- High School
- Front of Elementary

#### **Sidewalks**

Sidewalks shall be blown on each visit.

#### **Cutting Lines**

Cutting lines on the football field during football season will be included.

The annual maintenance cost is \$11,940.00. The monthly maintenance contract for January 2016 – December 2016 will be \$995.00 for twelve months. A monthly invoice will be sent. Payment is due on or before the 15<sup>th</sup> of the month.

Irrigation – Irrigation is not included in this contract. We recommend Clearwater Sprinkler for this service.

A handwritten signature in cursive script that reads "Todd Blount".
