

BOARD OF TRUSTEES
Series 200

Policy Title: FEDERAL IMPACT FUNDS POLICY

Code: 204.5.1

Impact Aid Funds have been provided to local school districts in lieu of taxes and other revenue sources. Such funds contribute to the development and implementation of a basic education program for all students enrolled in the public schools. Recent amendments to Impact Aid provide additional funds for schools with eligible Indian students when the district gives assurance that tribes and parents have been afforded the opportunity to make recommendations regarding the needs of their children and to be involved in the planning and development of the basic educational program. Recognizing that the Board of Trustees is the ultimate authority in defining the educational program of that district, the superintendent will establish procedures to assure the involvement of the Tribe and the parents of Indian students in the development of the basic educational program and determine the overall needs of the school district. The assurances must also be reviewed on an annual basis. (See 204.5)
