Policy Title: CODE OF ETHICS, DISTRICT POLICY

Code: 404.7

Teachers of the Lapwai School District are expected to conform to the Code of Ethics as adopted by the Professional Practices Commission for the State of Idaho. Re-employment is contingent upon such conformity. A copy of the code is available in the superintendent's office for those who desire it, and it is included in the appendix of this policy handbook.

All staff members shall acquaint themselves with the official school district policies and adhere to them in the performance of their duties.

Copies of the school district policy manual shall be available in the superintendent's office, the offices of the principals, the library and the Board of Trustees shall have copies.
