Policy Title: PHYSICAL EXAMINATIONS

Code: 407.4

The administration may request any employee to have a physical examination at district expense if it appears the person's welfare is impairing his/her performance or presents an imminent health hazard to the students or district employees.

Food Service employees, during their employment, shall have the responsibility of reporting any adverse physical condition to their immediate supervisor.

Transportation employees shall have physical examinations per Idaho Code. Reimbursement for physical examinations for transportation employees shall be recommended by administration and approved by the Board of Trustees.

Date of Adoption:
Readopted: July 2009
