

**STUDENT PERSONNEL**  
*Series 500*

Policy Title: ADHERENCE TO DISTRICT SAFETY  
POLICY

Code: 505.1

Student will, in the conduct of all school related activities, comply with directives of supervising personnel who are responsible for the safety of students.

Information concerning the doctor and hospital preferences of all students must be filed with the principal when they register.

Any accident or injury requiring professional treatment will be reported on the proper form and filed by the supervising personnel within one week of the incident in the principal's office in accordance with the State Department of Education directive.

Date of Adoption:  
June 13, 1977  
Readopted: July 2009
