Policy Title: WORK RELEASE TIME

Code: 506.4

Students who wish to have release time from school for work must have senior status in school and doing satisfactory work in their studies. The students must also show proof that they have employment before release time will be granted.

The parents are to be informed by letter as to when the student will be allowed to work and when the student is to be in attendance at school. Parents are to submit a letter requesting the student be released.

Students will be required to provide their own transportation.

If the student ceases to be employed, then the student will be expected to be enrolled full time in school.
