

EDUCATIONAL PROGRAM
Series 600

Policy Title: EMERGENCY CLOSINGS

Code: 601.4

The superintendent is authorized to exercise the authority to close the schools, due to unforeseen circumstances, when, in his opinion, it is in the best interest of the school and for the health and safety of the students to do so. Public announcements on the radio, television and through the press will be made as practicable.

Parents are urged to develop a family plan to ensure safety of students in the event of an unexpected closing of school. If the plan requires some special action on the part of the school, parents should notify the principal's office by writing or by a telephone call, preferably prior to emergencies.
