

EDUCATIONAL PROGRAM
Series 600

Policy Title: CLASS SIZE, MANAGEMENT

Code: 603.1

Class size and teaching loads shall be determined by the administration of the district as directed by the board. The district shall strive to meet recommended State Department of Education guidelines for class size K-12 within the limits of the financial resources and physical resources of the district.

In the event the number of students exceeds the recommended limits, the distribution of teachers shall be adjusted by the administration upon receiving input from the elementary professional staff.

Grouping of students within the classroom shall be done by the teacher. Class evaluations are to be determined by the teacher and should be sufficient to accurately measure the academic progress of the student.
