

EDUCATIONAL PROGRAM
Series 600

Policy Title: OUTSIDE RESOURCE PEOPLE

Code: 603.5

Teachers shall advise the principal's office about all resource people who will be speaking to students and arrangement shall be made in the office for their appearances before classes.

Presentation of information by state and national public officers, concerning governmental procedures, is an asset to the education of students. To assist students in becoming acquainted with such officers, they may be invited to speak to students at an appropriate time.

Candidates for public office may be scheduled to speak to students provided they do not discuss their opponents, and if scheduled, their opponent shall also be provided an opportunity to speak for an equivalent amount of time.

All arrangements concerning such public officials or candidates shall be cleared with the superintendent or chairman of the board prior to the final confirmation of approval to speak, and whenever possible, a week in advance to permit inclusion on the calendar of events.
