Policy Title: INSPECTION OF SCHOOL BUSES

Code: 702.11

All school buses shall at all times conform to the standards of construction prescribed therefore by the State Board of Education. Before any newly acquired school bus or other passenger equipment is used for transporting pupils, it shall be inspected by a duly authorized representative of the State Department of Education, and if upon inspection, it conforms to prescribed standards of construction or other such standards as prescribed by law or regulations, it may be used for transporting pupils. In addition, all district buses will be inspected on a monthly basis by the maintenance supervisor and conditions reported to the district office.
