

AUXILIARY SERVICES
Series 700

Policy Title: SCHOOL GARAGE

Code: 702.14

Only school vehicles are to be stored in the school district garage.

Only district owned or sponsored vehicles are to receive gasoline, oil, grease or antifreeze from the district's supply station.

All school owned vehicles are to remain on school district property during the night except those specifically authorized to be housed elsewhere. Exceptions approved: pickup for buildings and grounds supervisor and school buses which remain at the driver's home overnight as part of the regular bus route.

Date of Adoption:
Readopted: July 2009
