

AUXILIARY SERVICES
Series 700

Policy Title: ACTIVITY TRIPS

Code: 702.8

School buses are to be used on all school-sponsored trips unless other arrangements are made by the principal in consultation with the superintendent.

Payment for the driver of transportation for student body activities shall be the responsibility of the participating organization. The district shall provide the driver for instructional-related activities.

Spectator buses shall travel for league games only and for District II sponsored activities at the discretion of the principal and superintendent. Exceptions may be made under unusual circumstances upon the recommendation of the principal and superintendent.
