Lapwai Middle-High School is excited to introduce their new learning focused Wildcat Advisory classes and revised Friday Schedule which began on March 17, 2017.

Students will attend a 6th hour advisory class period. This is a perfect time for classroom teachers to touch base with students about grades and academic progress related to middle and high school graduation. In order for this to be possible there was a slight modification to the Friday bell schedule.

Each Friday students will attend all 7 classes but during 6th hour have lunch with their advisory teacher. The closing of campus on Friday will allow us more time to access family link, track student success, and limit interruptions to the school day. The free lunch program will deliver meals to classrooms on Fridays as well. I would like to thank the Lapwai School District Food Service Program for their cooperation and caring assistance.

Middle and High School students will be out of school at 12:50 pm in order to allow the buses to continue the traditional elementary pick up times. The elementary schedule has not changed.
