

Superintendent's Weekly Update

Friday, March 3, 2017

Qe'ciyew'yew'

I would like to thank the Circle of Elders for their time this morning. I had the opportunity to share our growth in student achievement, dedication to college and career readiness, and other bright spots in the district today.

Thank you for gifting me with your time.

Thank You Mrs.
Williams and
the Native Arts
Class!

Mrs. Williams and the Native Arts Class prepared gifts for the superintendent's meeting with the Circle of Elders on Friday, March 3rd.

Positive Office Referrals

Lapwai Elementary now refers students to the office for positive behavior. Their choices are celebrated by office staff and the student receives a prize.

Thank you Lapwai Elementary for recognizing students for good choices and celebrating their success!

BE

RESPONSIBLE
&
SAFE

Students are referred for: Attitude, Empathy, Compassion, Encouragement, Self Control, Helpfulness, Trustworthiness, Gratitude, Integrity, Responsibility, Kindness, Honesty, Fairness, Safety, Respect, and Citizenship.

Thank You Mrs. Clark!

Dr. Aiken and Mrs. Clark were invited to present to the LC Valley Resilience Coalition on March 1st. Their mission statement is to, "Foster resilience strategies that address adversity by providing access to resources and promoting communication amongst stakeholders." Mrs. Clark shared the tremendous success Lapwai Elementary is experiencing with Positive Behavioral Interventions and Supports.

Thank you Mrs. Clark for celebrating the outstanding success at the elementary!

The Lapwai School District is currently implementing Positive Behavioral Interventions and Supports (P.B.I.S). P.B.I.S. is a best-practice framework for improving academic and behavioral outcomes for all students. The purpose of this program is to increase academic time-on-task by reducing problem behaviors. The students are explicitly taught how to be respectful, responsible, and safe in all locations on the school grounds. Our goal with PBIS and bully prevention is to create a safe learning environment to maximize learning for all students. The elementary is also implementing the P.A.T.H.S. curriculum (Promoting Alternative Thinking Strategies), which encourages the development of strong social skills, problem solving, positive character traits, and bullying prevention, all which support academics. These research-based tools for teachers minimize learning interruptions and prevent bullying and other behaviors with strategic procedures and prevention techniques.

Native It's Your Game

Native It's Your Game (Native IYG) is a web-based HIV, STD, and pregnancy prevention curriculum for American Indian and Alaska Native (AI/AN) youth ages 12-14. Native IYG is comprised of thirteen 30-50 minute interactive lessons. The program teaches about healthy relationships, life skills, communication, and refusal skills using interactive activities, videos, games, personalized "journaling" activities, tailored feedback, and individually tailored activities. It emphasizes abstinence, but also teaches learners how to protect themselves from pregnancy and sexually transmitted infections using medically accurate information. **Thank you Community Health for implementing this opportunity at the middle-high school!**

More information, along with the Native It's Your Game program can be found on the Healthy Native Youth website:

Team!

Dr. Aiken is joining Alicia Wheeler from the State Tribal Education Partnership to form a *districtwide* **Native Culture and Language Team**. This volunteer opportunity is open to all para-educators and teachers. Objectives of this new approach include:

- Providing leadership for culture and language

- Engaging the community with culture and language

- Infusing culture and language in curriculum and instruction

The time commitment is approximately two hours per month. I am looking forward to this engaging process that is expected to be rewarding and fun. Please do not hesitate to contact me with questions. **To indicate your interest, please email me or give me a call:**
