Congratulations Wildcat Boys!

OUR 1ST IDAHO HIGH SCHOOL ACTIVITIES ASSOCIATION SPORTSMANSHIP AWARD - BOYS STATE BASKETBALL

February 2017 Student Awards

RICHARD L. TAYLOR, JR.

AWARD-WINNING AUTHOR AND MOTIVATIONAL SPEAKER

A special thank you to the Lewis-Clark State College TRIO program for bringing Richard L. Taylor, Jr. to Lapwai Middle-High School as a guest speaker on Monday, March 6th.

Richard Taylor hails from Chicago, IL. Growing up on the Southeast Side of Chicago, Richard was exposed to a number of unsettling issues in his youth; but he remained focused and maintained his stance as a positive influence for his peers. Richard dealt with insecurity, low self-esteem, and feelings of worthlessness that resulted from being bullied and ridiculed in his childhood. These issues followed him into young adulthood and later contributed to self-destructive behavior.

AGRICULTURE IN THE CLASSROOM

Mrs. Boyer is bringing science to life for middle and high school students. This cross-curricular project has involved all of her classes. Recently her students participated in a live C-section due to a birth complication. So far it has been successful with the mother and babies doing well. Learning objectives include: birth, vaccination programs, health management, feed rations and calculations, construction projects, and waste management. All students from shop class to science have had the opportunity to engage in the project. Thank you Mrs. Boyer for providing hands-on learning experiences for your students!
