# Celebrating Student Success

The last day of school was filled with celebration and recognition of our students.

Mrs. Latella wrote and was awarded a LCCU grant for her kindergarten class.

Her kindergarten students wrote and illustrated animal alphabet books. Each student received a copy to keep.

The students shared their books this week during a family celebration.

# Thank You Taricia Moliga and Jackie McArthur!

Taricia Moliga and Jackie McArthur were honored at the Lapwai Middle-High School year end assembly. These outstanding volunteers dedicated their time to ensure the return of baseball and softball was successful. These ladies approached Casey Family Programs and secured a \$10,000 donation. Taricia and her family also exhausted every opportunity to fund raise for our student athletes.

We honor you both and thank you for your support!

Mr. Penney calling it a day one last time before enjoying retirement. He was honored by his colleagues on the way out the door.
