# Welcome Shawnee Stacy and Samuel Maynes!

The college and career resources for Lapwai Middle-High School continue to skyrocket with the recent award of a Native Youth Community Project Grant. Shawnee Stacy serves as Project Clerk and Samuel Maynes was hired as the College and Career Readiness Teacher for the new NYCP grant. Mr. Maynes is teaching Advanced Opportunities, Dual Credit English-Language Arts, and middle school Career Explorations. This is in addition to existing U of I Upward Bound, GearUp, and Mr. Nellesen's services. We are incredibly fortunate.

# Congratulations Victoria Weaskus!

Victoria Weaskus, a junior at Lapwai High School, plans to graduate a year early! This gifted student has taken advantage of online opportunities, 8<sup>th</sup> hour classes, after school and summer program opportunities to complete her credit requirements in record time. As a GearUp student she will also receive an additional \$3,000 in scholarships per year for this accomplishment.

# 2017 ISAT Honor Roll

Results from the Idaho State Achievement Test Last Year

Last year students in grades 4 through 10 earning at least one point of growth in comparison to the previous year on *both* the English-Language Arts and Mathematics assessments qualified for an honor roll list and their name in a \$1,000 scholarship drawing.

The following slides celebrate the students who demonstrated this growth. We are extremely proud of *all* of our Wildcat Scholars who did their very best. Completing these rigorous assessments is an achievement in perseverance! The Wildcat Call staff will be assisting with the scholarship drawing soon.
