BREAKFAST AT LAPWAI ELEMENTARY

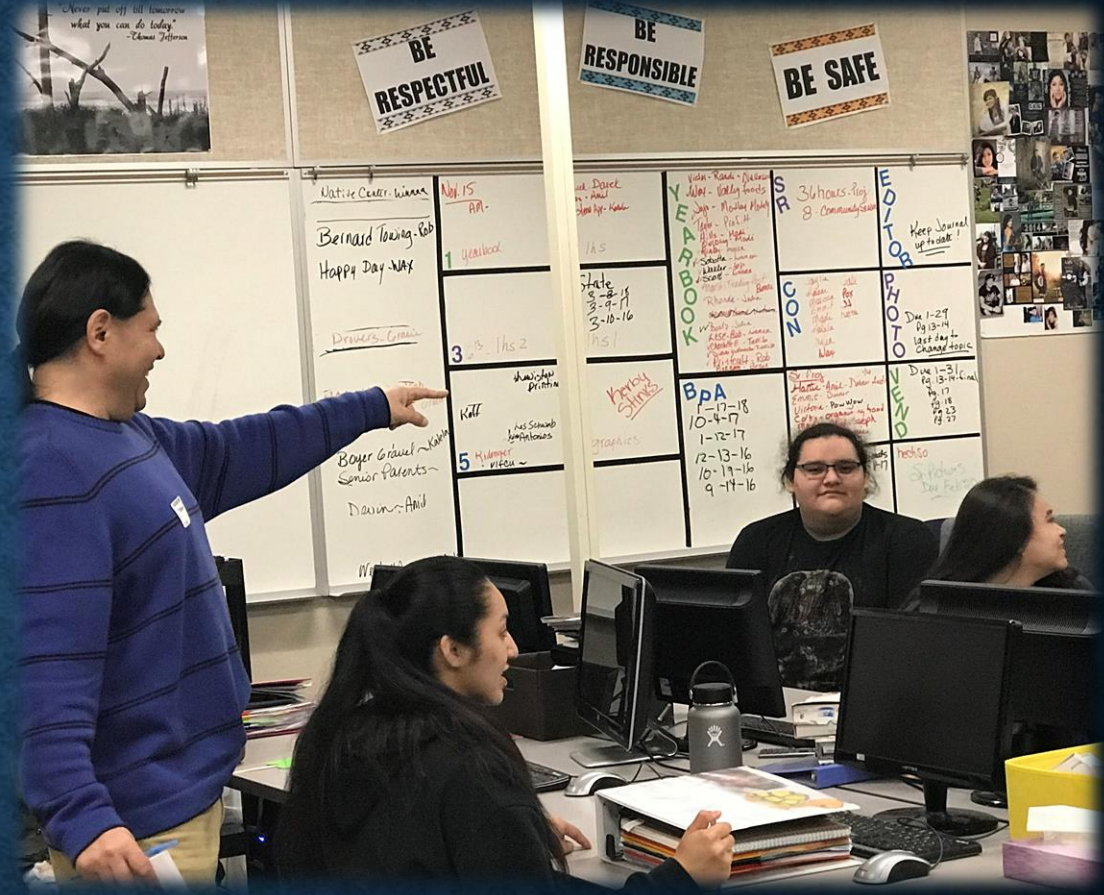

Free breakfast and lunch are provided daily in both schools with a new free dinner program during the elementary afterschool program.

STOCK MARKET GAME

The seniors are participating in "The Stock Market Game," a stock market simulation where stocks are purchased and sold in real time. The stocks and prices are real, but the money is simulated. It is sponsored by the Nimiipuu Community Development Fund and Nez Perce Tribe Local Education Fund and coordinated by Jonelle Yearout. Shawn Spruce from New Mexico spent 3 days last week getting the class started on the game and will check in once a week for 4 weeks via Zoom, a google video app.

THANK YOU NEZ PERCE TRIBAL AND COUNTY POLICE

Lapwai Middle-High School students and teachers with the support of Nez Perce Tribal and County Police conducted a lockdown drill this week. This scenario was for practice purposes only. In a real emergency situation, parents would be notified with our computerized auto-dialing phone messaging system. Thank you for keeping your contact information up-to-date with your child's school. We have clear and practiced procedures in the event of an emergency. The drill this week was a tremendous success. Great job Lapwai Middle-High School students and teachers!
