

# Superintendent's Weekly Update

## Friday, October 5, 2018

Thank You IVision for Presenting to  
High School Students This Week!

*Celebrations and Pictures of Wildcat Scholars and the  
Dedicated Staff Who Serve Them*

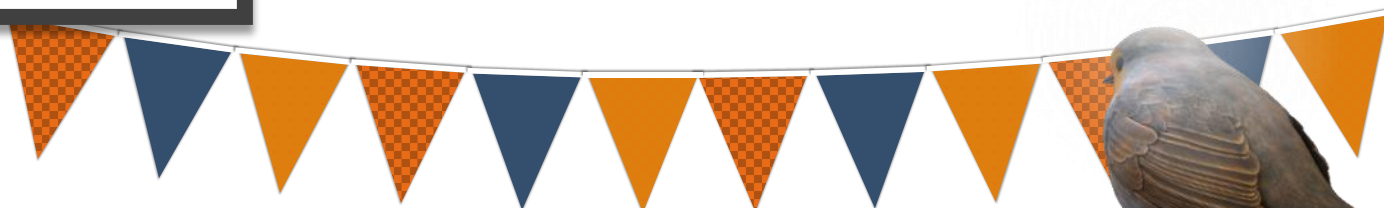

# Great Job Wildcat Scholars!

## Average Daily Attendance So Far This Year

Lapwai Elementary 94.54%

Lapwai Middle-High School 92.63%

A poster for the 'I-VISION PROGRAM PRESENTS: FEAR FACTOR' event. The background is dark and textured, featuring a large, detailed illustration of a cockroach in the upper right and another in the lower left. At the top left, there is a yellow diamond-shaped sign that says 'ARE YOU READY?'. Next to it is a small graphic with the text 'I-VISION' and 'My Life | My Future | My Vision' below it. The main title 'FEAR FACTOR' is in large, bold, yellow letters. Below the title, there are two columns of text: 'Wednesday October 10, 2018 Night 1: for Adults & Couples ages 18-35.' and 'Thursday October 11, 2018 Night 2: for high school aged youth, 9th - 12th grade'. A yellow banner across the middle says 'At The Cave on Main Street | 5pm - 8pm'. Below this, the text 'Do you have what it takes?' is written in a stylized font. Further down, the rules are listed: 'RULES: YOU NEED A PARTNER! Teams of two (2) are needed complete challenges WIN A PRIZE FOR DRESSING AS A TEAM! Get creative, but be aware you may get dirty!'. The bottom section says 'Be Prepared to Face Your Fears!' in a large, stylized font. At the very bottom, contact information is provided: 'ANY QUESTIONS? CALL 208-621-4812 | EMAIL: TERESAH@NEZPERCE.ORG LIKE OUR PAGE! WWW.FACEBOOK.COM/IVISIONNPYP'. A small line of text at the bottom edge reads: 'Funding for this project was provided by the United States Department of Health and Human Services Administration for Children and Families. Grant #30PM0102-01-00'.

Funding for this project was provided by the United States Department of Health and Human Services Administration for Children and Families. Grant #30PM0102-01-00

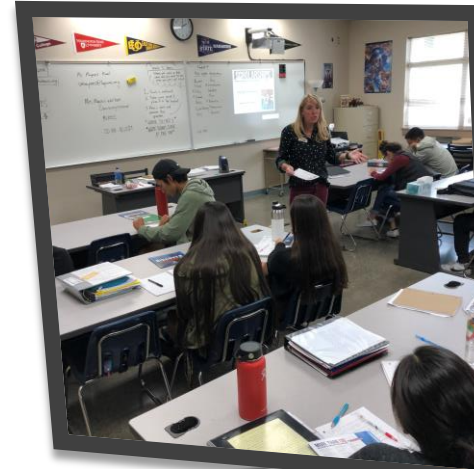

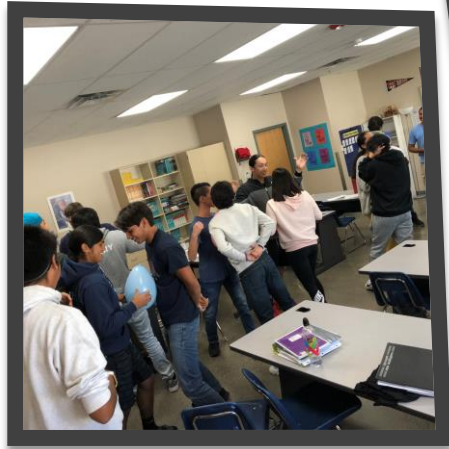

Mrs. Boyer and her drones class students have been testing our local water ways for pH (a logarithmic scale used to specify the acidity or basicity of an aqueous solution), dissolved oxygen, and conductivity.

# Introduction to College Studies: Mr. Maynes

I Vision is conducting a relational and financial health curriculum for the next 7 weeks in our class, and they did some fun team-building exercises with our students!

We also had Rachel Peasley from LCSC visit with the seniors to share information about their school. Our seniors are getting some opportunities to envision their future.
