# **No Elementary Afterschool Program**

**Monday,  
January 7<sup>th</sup>**

Elementary Afterschool Program staff are looking forward to a great 2<sup>nd</sup> semester. Events have included family nights, fun STEM projects, and students participating in building a traditional Nez Perce dugout canoe. Soon 1<sup>st</sup> and 2<sup>nd</sup> grade students will be participating in yoga classes offered by Danielle Scott of the Nez Perce University of Idaho Extension. Reading, math, homework assistance, and Nez Perce language will continue as daily activities.

Dr. Aiken is co-facilitating with Alicia Wheeler from the Nez Perce State Tribal Education Partnership a *districtwide* **Native Culture and Language Team**. This volunteer opportunity is open to community members, para-educators and teachers. Objectives of the team include:

- Providing leadership for culture and language
- Engaging the community with culture and language
- Infusing culture and language in curriculum and instruction

The time commitment is approximately two hours per month. Please do not hesitate to contact me with questions.

**To indicate your interest, please email me or give me a call:**

**Next Meeting  
January 10<sup>th</sup>**

**3:45 p.m.**

**Lapwai School  
District Office**

# **Together, we ensure all students will reach their full potential.**

The following pages provide assistance to parents and families in understanding content and achievement standards, assessments, and how to monitor your child's progress. In addition to the information provided by your child's teacher(s), these materials provide guidance in ensuring the greatest success at school.

# Help Your Child Succeed in School Materials for Parents and Families

The *Parents' Guides to Student Success* were developed by teachers, parents and education experts in response to the Common Core State Standards that more than 45 states have adopted. Created for grades K-8 and high school English, language arts/literacy and mathematics, the guides provide clear, consistent expectations for what students should be learning at each grade in order to be prepared for college and careers.
