*Celebrations and Pictures of Wildcat Scholars
and the Dedicated Staff Who Serve Them*

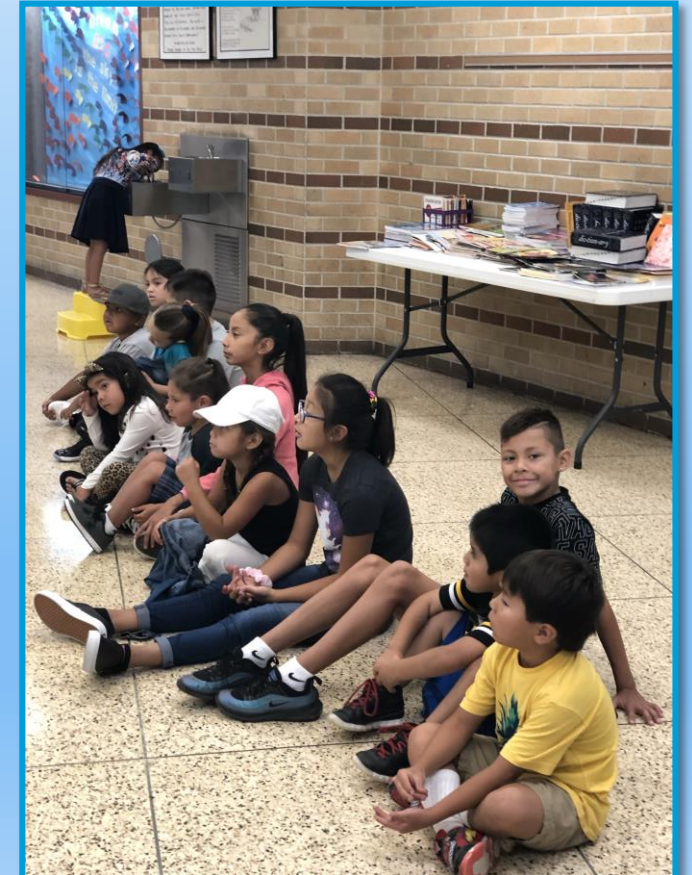

Lapwai Elementary School

Every fall, the elementary school holds a School-Wide Expectations Rodeo to explicitly teach all students the expectations in each area of the school. Each class rotates through stations to learn about the expectations for the cafeteria, hallway-stairs, bathrooms-foyer, and the playground. On a different day, all classes are taught the expectations and how to be safe on the bus.

A team from Lapwai will be joining Lapwai School District Superintendent, Dr. David M. Aiken, and School Board Chair, Sonya Samuels-Allen, next week to thank Idaho's Congressmen for their continued support of Impact Aid. Engraved Lapwai School District pens will be left as a gift of our gratitude. Lydia Shahan-McCloud lent us her talents and beaded covers for the gifts.

Qe'ciyew'yew' Lydia!

Thank you Mrs. Scott & Her Talented Drama Students!

Mrs. Scott and her talented drama students partnered with the superintendent in the 4th annual video for Idaho's Congressional delegation. We collaborate each September to thank our legislators for their urgency and support of Impact Aid. These crucial federal funds are 31% of the Lapwai School District budget. It is critical our Congressmen see the faces of the students their decisions impact and how the funds are used in Lapwai. I am always incredibly proud to showcase these talented Wildcat Scholars.
