IDAHO SCHOOL BOARDS ASSOCIATION ANNUAL CONVENTION

Trustees DelRae Kipp, Lori Johnson, and Sonya Samuels-Allen joined Clerk of the Board, Nathan Weeks, and Superintendent, David Aiken, last week at the ISBA Annual Convention. Sonya and DelRae were honored with Bronze-Level Board Member Awards for Leadership. The recognition was for participating in annual conventions and summer leadership institutes. The district and our community partners were also recognized for the Magna Award received last year. We are fortunate to have a board with big hearts for Lapwai students. Impact Aid

Our Impact Aid allocation is based on the number of children who live on trust property as well as parents who work on trust land.

Beginning in November parents will be requested to complete residency and employment surveys to ensure the highest Lapwai School District allocation for Impact Aid. Your responses assist in holding the Federal Government accountable to their promise of ensuring a fully funded and equitable education for our students.

Impact Aid is not fully funded by the United States Government. Your assistance in verification by completing the needed forms will help us hold them accountable to provide this funding obligation to all Lapwai students.

Please return the form to school with your student or mail to:

Impact Aid Questionnaire

In an effort to hear the voices of our parents, community members, and Nez Perce Tribal leaders in the planning and development of our educational programs and activities, the following questionnaire was created.
