*Celebrations and Pictures of Wildcat Scholars
and the Dedicated Staff Who Serve Them*

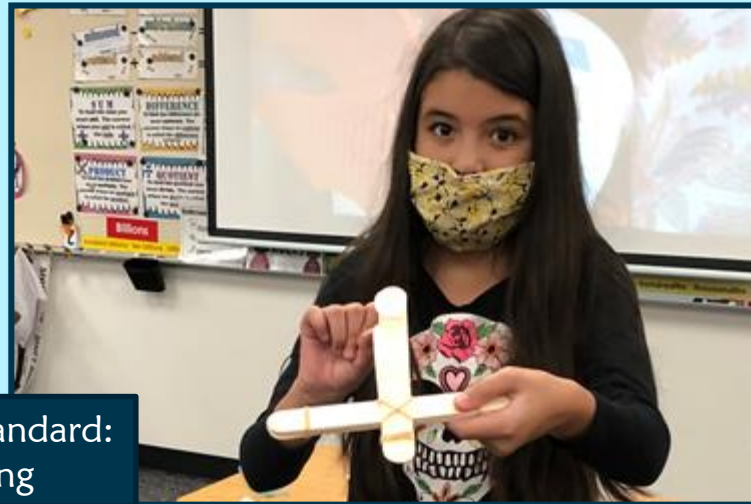

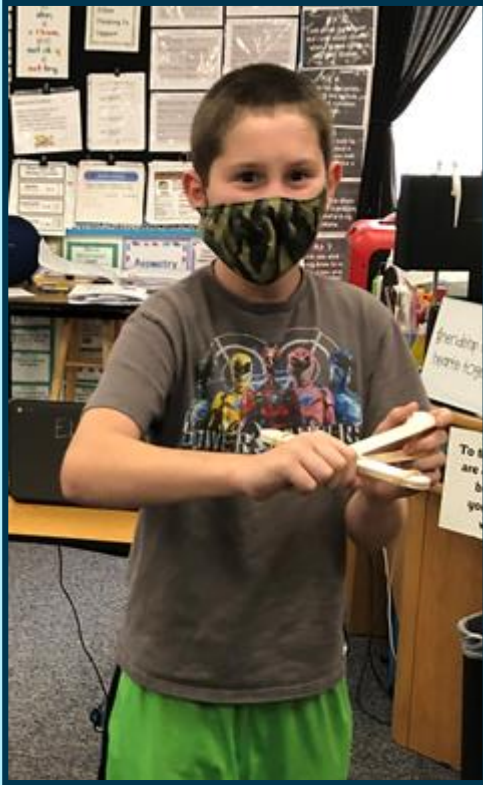

5th Grade Engineers

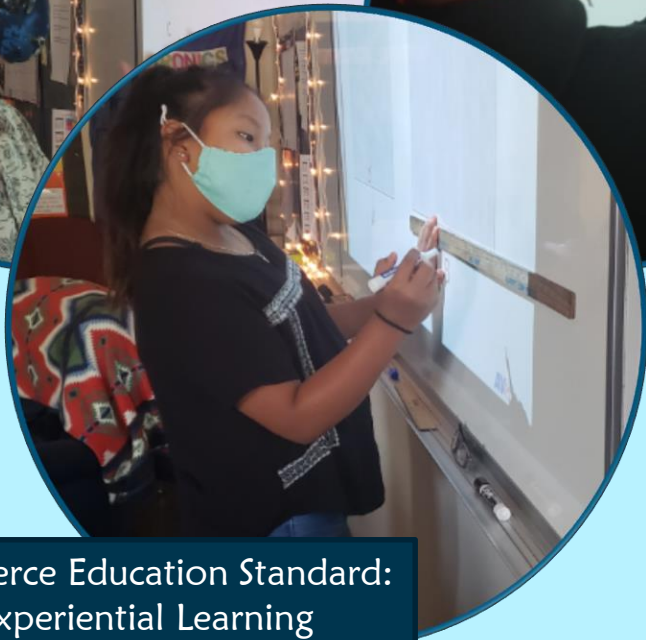

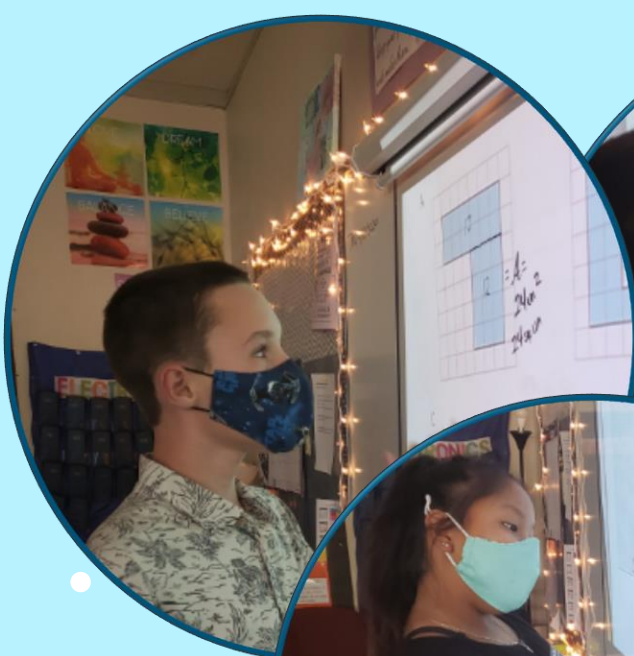

Future engineers building and shooting their catapults: Building relationships through STEM activities in 5th grade. These Amazing and Awesome 5th grade students are showing off their catapults shooting marshmallows. I cannot express how good it feels to be back in the classroom with the BEST MOST CREATIVE, CARING STUDENTS in the WORLD!

& Mathematics**

Staff Qualifications

Federal law requires each school receiving Title I funds to notify parents that information regarding the professional qualifications of their child's teacher may be requested.

As a parent of a student attending a school receiving federal funds, you have the right to know:

1. Is my child's teacher licensed to teach the grade(s) and subject(s) assigned?
2. Is my child's teacher teaching with a provisional license, meaning the state has waived the requirements?
3. What is the college major of my child's teacher?
4. What degree(s) does my child's teacher hold?

To request the qualifications of your child's teacher or instructional aide, please contact David Aiken at (208) 843-2622. If you would like more information regarding your child's school, please contact:

Teri Wagner, Elementary Principal: (208) 843-2960

D'Lisa Penney, Middle-High Principal: (208) 843-2241

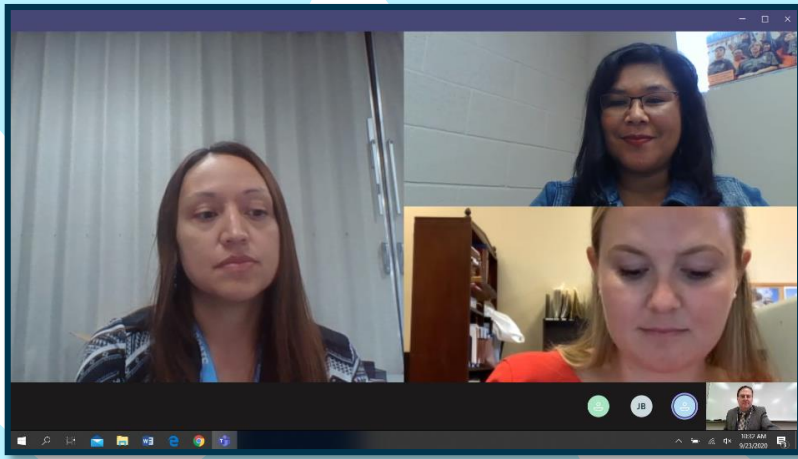

Qe'ciyew'yew' Iris Chimburas

Mrs. Chimburas presented to the Circle of Elders at their September meeting on behalf of the superintendent who was engaged in health and safety meetings.

The elders are among the district's greatest resources and have big hearts for Lapwai students. - Qe'ciyew'yew'

Sonya Samuels-Allen, Lapwai School District Board Chair, and Teeiah Arthur, 1st Grade Teacher, joined the Superintendent in virtual meetings with Idaho's Congressmen this week. We represented the over 14,000 students in 12 Idaho districts who rely on Impact Aid funding. Thank you for taking time out of your busy schedules to advocate for Lapwai students!
