Qe'ciyew'yew' Lapwai School District Transportation Department

School bus transportation includes required assigned seating. To the greatest extent possible, households will be seated together.

Masks remain required. Students are provided hand sanitizer upon entry to the bus.

Seats and high-touch surfaces are sanitized on busses following each use. The district has purchased electrostatic sprayers to ensure thorough disinfection.

Weather-permitting, windows will remain open to increase air circulation.

Annual training for bus drivers include coursework in coronavirus awareness and proper cleaning and sanitization.
