## Thursday, November 11, 2021

Nimiipuu Health Dental Department and the National Guard are planning an Innovation Readiness Training (IRT) Program on Thursday, November 11, 2021 in the elementary gym. The activities will include teeth brushing instruction, oral exams, fluoride application and application of sealants for students who need them and have parent permission. Permission slips for sealants are available at the school.

The National Guard is flying in dentists and dental hygienists from Boise on a helicopter to assist. They are bringing a truck with supplies and a dental chair too. This is a great opportunity for our students and families.

Please call the school if you have any questions about the Innovation Readiness Training (IRT) Program.

Win a \$100 Visa  
Gift Card or  
New Laptop &  
Wireless Printer!

## Not Too Late to Enter!

Parents and guardians who were unable to attend parent-teacher conferences in person can still be entered to win.

Verify your physical address and specific workplace and you are automatically entered into the drawing. Each verified household is entered to win!

The verification form can be accessed [HERE](#)

You can also request a survey be mailed to you: (208) 843-2622
