Staff Spotlight

The 2021-2022 Superintendent's Faculty Cabinet would like to celebrate Mrs. Emma Shaffer this week. Emma joined us in 2018 as our music teacher.

Mrs. Shaffer has the opportunity to impact the lives of all grade levels of students with music appreciation. This year she and her elementary students came to a basketball game for a halftime performance and it was such a hit that we think this should be an annual event. The community loves to see their children dance and sing and Mrs. Shaffer has provided that celebration!

- Dr. D'Lisa Penney, Middle-High Principal

I have enjoyed the past 4 years of getting to know students and watch them as they grow as individuals and musicians. They teach me so much, and it has been my privilege to learn from them each year. I look forward to continuing to share my love of music with them. Go Wildcats!
