Awesome!
Way to Go!*

Staff P.A.W Award: *Bonnita Brown*

Nominated By: *Alicia Wheeler*

The specific reasons I would like to recognize this staff member with a P.A.W. Award include:

She always wants the best for the students and our community. She puts effort into whatever she is doing to ensure it will benefit the students and community.

Jordan Reynolds & Alice Whitefoot

On lunch recess, they took it upon themselves to pick up garbage in the jungle gym area and around the playground.

True Wildcats showing true acts of kindness!!

Micah Bisbee

Please join us in welcoming Micah Bisbee to Lapwai Middle-High School. Micah is serving Wildcat Scholars in a new role as Restorative Justice Coordinator.

Restorative practices are focused on relationships with the goal of building strong connections that promote positive behavior and a positive classroom climate. The approach provides structures and practices to set clear classroom expectations, as well as providing language for engaging students in problem solving and self reflection when problems arise. Successful school-wide implementation requires ongoing professional development, teacher buy-in, support from administration, coaching, and practice. Micah joins a growing team of social-emotional supports in the Lapwai School District including:

- Lori Ravet: Special Education Director and School Psychologist
- Kristen Bateman: Elementary Counselor and School Psychologist
- Speech and Language, Occupational Therapy, and Physical Therapy Personnel
- Josh Nellesen: Middle-High Academic Guidance Counselor
- Shawna Leighton: Community Resource Specialist and Truancy Interventionist
- Jennifer Becker: Elementary PBIS Coordinator
- Kiri Brown: Certified Prevention Specialist

- Buck Walker: Middle-High PBIS Coordinator
- Iris Chimburas: Empowerment Room Teacher
- Jenny Williams: Cultural Specialist
- Lori Lynn Parrish: Home School Liaison
- Jennifer Williams: Guidance Service Specialist
- Ongoing successful collaboration with Nimiipuu Behavioral Health

AGRICULTURE IN THE CLASSROOM

Mrs. Boyer is bringing science to life for middle and high school students. This cross-curricular project has involved all of her classes. Recently her students participated in a live C-section due to a birth complication. So far it has been successful with the mother and babies doing well. Learning objectives include: birth, vaccination programs, health management, feed rations and calculations, construction projects, and waste management. All students from shop class to science have had the opportunity to engage in the project. Thank you Mrs. Boyer for providing hands-on learning experiences for your students!

Staff P.A.W. Awards

Proud of You! **A**wesome! **W**ay to Go!

Attention Parents and Lapwai Community Partners: The Lapwai School District is intentional with systems of celebrating student success. Our Wildcat Scholars are regularly recognized for *Respectful*, *Responsible*, and *Safe* behavior. The Nez Perce STEP Family Engagement Teams have partnered with the Superintendent to provide our families the same opportunity to celebrate *school district staff*. Your nomination will appear in the Superintendent's Weekly Update which is linked in the Nez Perce Tribe Newsletter and posted on the district Facebook page. Thank you for honoring any staff member who has gone above and beyond for Lapwai students.

Lapwai.org

The Middle-High School Native Culture and Language Team share PowerPoint resources highlighting the accomplishments of successful Indigenous role models. The resources are encouraged for use during English-Language Arts or Reading instruction districtwide. The resources are posted on the [Native Culture & Language](#) section of our website at Lapwai.org

Seeking Lapwai School Teacher Feedback: Please help us improve the resources for our students by completing a brief [survey](#).
