& the Dedicated Staff Who Serve Them*

The Superintendent's Faculty Cabinet would like to celebrate Mr. Josh Nellesen this week. This dedicated Academic Guidance Counselor also volunteers his talents to football and track. His love for pickleball should also come in handy when the refurbishment of the courts are complete this spring.

*Mr. Nellesen is invested in the futures of the students he serves. His time and effort to build relationships with our kids demonstrates his big heart for ensuring their success. He goes above and beyond every day to ensure access to advanced opportunities, dual credit, and college and career readiness. His dedication to Lapwai students is a blessing. - David Aiken*

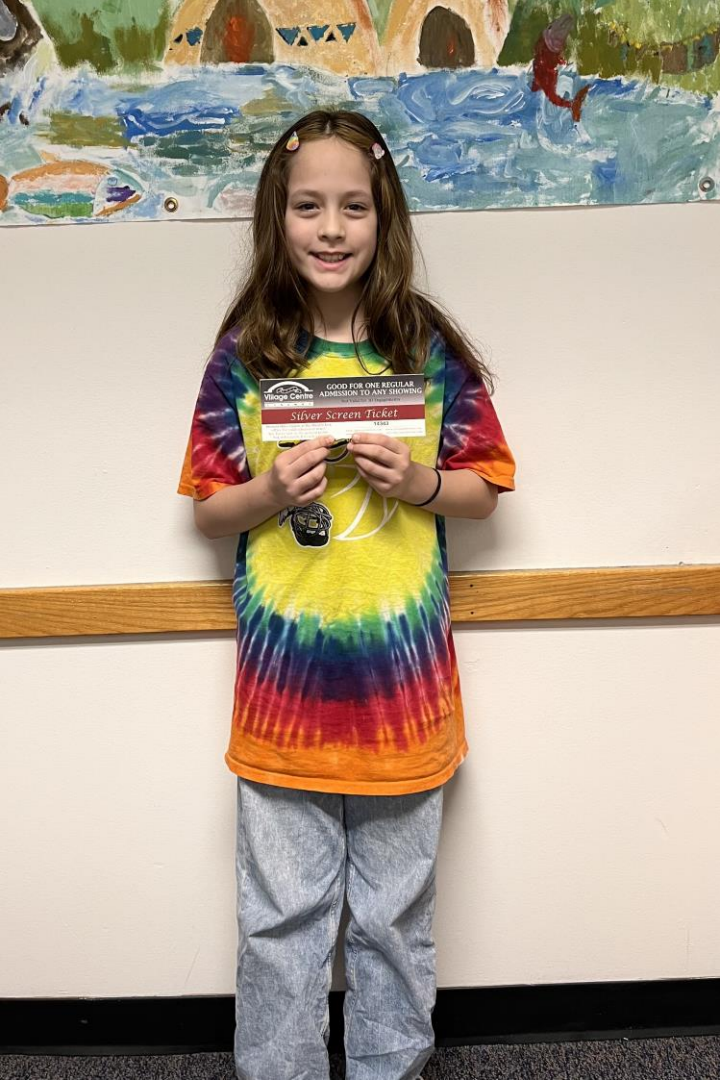

*Nellesen is an invaluable resource for students, providing a wide range of support and guidance that can help them navigate the challenges of school and beyond. He is dedicated to the well-being of our students, and works tirelessly to ensure that every individual has the resources and tools they need to succeed. With his compassion, expertise, and commitment, he is a true champion for students, and plays an essential role in creating a positive and nurturing learning environment for all our students. - Bradley Peterson*
