Lapwai Middle-High School Cultural Fair 5-26-23

Native Culture & Language Team Objective: The promotion of Native American history, culture, customs, and values will be done in a way that engenders respect for the history, culture, customs, and values of other groups.

On **Friday, May 26th** all building staff are encouraged to share their own culture and customs. It could be as simple as a class discussion or range from poster and PowerPoint presentations to food, music, and traditional clothing. Students will love hearing your family story, where you come from, and what traditions are important to you. Celebrate your culture in your classroom or share a creative display in the commons.

Questions? See Georgia Sobotta, Bradley Peterson, or David Aiken
