

Lapwai School District Superintendent's Weekly Update

Friday, June 9, 2023

Celebrations & Pictures of Wildcat Scholars
& the Dedicated Staff Who Serve Them

Wildcat Hero Awards!

Nez Perce Cultural Principle:
Interpersonal Relationships

The Superintendent asked staff to nominate students observed taking a stand against bullying. The goal was to celebrate Wildcat Scholars who are not only Respectful, Responsible, and Safe, yet have demonstrated the courage as a bystander to take a stand. This week we honored students who *actively* demonstrated kindness and support for others in need of a friend. We strive to recognize those who consistently report unkind behavior to an adult.

Wildcat Hero Awards!

Molly Tucker Nominated ABLE ENICK, 6TH

I have observed Able standing up for fellow students. When Able has seen any bullying, he speaks up to the bully and reports to staff. He is strong in character and amazing as a friend. Bullying is a huge issue and Able has shown outstanding leadership and is a person other students can follow as a role model.

Georgia Sobotta Nominated KIMORA LOPEZ 8TH

Kimora exemplified the Wildcat Way by standing up for those students that can't stand up for themselves. When she saw an incident of cyber bullying, she was quick to report it. Thank you Kimora for looking out for others. Your actions were examples of being respectful, responsible and safe.

Georgia Sobotta Nominated KODI GREENE, 8TH

Kodi showed the Wildcat Way by standing up for those students that can't stand up for themselves. When she saw an incident of cyber bullying, she was quick to report it. Thank you Kodi for looking out for all students. Your actions were examples of being respectful, responsible and safe.

Buck Walker Nominated MAYA BASEY, 11TH

Maya came to me the other day expressing concern for bullying of her friend. Maya is kind and considerate to her friends and staff. This is what makes her a Wildcat hero!!!!

FLASHBACK FRIDAYS

May 2017!

Mrs. Scott's French class researched and prepared French dishes and enjoyed a formal meal. The authentic French dining experience included servers recruited by the students. What a fun way to practice their French. Merci Beaucoup Mrs. Scott for engaging our learners in such an engaging project!

Botany at Lapwai Middle-High School

Mrs. Boyer's 7th hour botany class was learned how to graft plants this week. They began by grafting a snowball plant with a lilac using the whip and tongue graft. They then did a cleft graft. Mrs. Boyer and her students also have a great deal of growth happening in the green house, too. What a great lesson, botanists!

The Lapwai Middle-High School Native Culture and Language Team is excited to share the attached resource for teachers. This instructional tool includes common classroom words and phrases with QR codes leading to the pronunciation.

A Wildcat thank you to Tatlo Gregory for lending the team his knowledge and expertise!

The tool is also featured in the Parent Portal section of the Lapwai School District website as a resource for learning at home.
