Please join us in celebrating the 2025-2026 Superintendent's Student Cabinet. Students are nominated each year for modeling the Wildcat Way with respectful, responsible, and safe behavior. It was clear during our first meeting why these incredible Wildcat Scholars were recognized for their leadership potential. These leaders will act as students advisors to the Superintendent this year.

## Superintendent's Community Cabinet

The Superintendent's Student and Faculty Cabinets consistently share such amazing input on our approach to student success! Their incredible contributions have inspired the creation of a Community Cabinet to expand this invaluable collaboration.

*Are you the parent or grandparent of a currently enrolled Lapwai School District student?*

*Does your role in the community support youth and families?*

If the answer is yes to either of these questions, this may be the focus group for you!

Community Cabinet Objectives Include:

Direct input in district programming

Family engagement event planning

Celebrating student and staff achievement

The District requested a site visit and assessment this week from the Idaho Office of School Safety and Security. Mark Fedderson, their Analyst for North Idaho, was here in order to provide detailed feedback on our approach to safety.

# University of Idaho College of Law

On Wednesday, October 1, 2025, Ms. Stange's and Mrs. Selstad's government classes had the opportunity to tour the University of Idaho College of Law, thanks to coordination from the Indian Education Department's Guidance Specialist, Jenifer Williams. A highlight of the day was a mock trial organized by law instructor Julie Leavitt, where some seniors stepped into roles such as attorneys and jurors. Students experienced what it's like inside a courtroom while learning more about the justice system. qe'ciyew'yew' Ms. Stange, Mrs. Selstad, and Ms. Williams.
