Experiential Learning

As Mrs. Terry's 5th grade Wildcat Scholars conclude their unit on ancient civilizations, Roger and Bonnie Terry presented on the Chichén Itzá ancient Mayan city in Mexico. The class was treated with ancient Aztec hot cocoa and pictures to take home of the ancient ruins. This site is among the Seven Wonders of the World. These learners have been engaging in experiential learning including ribbon skirt day and fall leaf fun.

Welcome back Mrs. Terry! We missed you!

School Attendance Matters

Wildcat Roar!

Congratulations to Mrs. Sliger's Kindergarten Wildcat Scholars! Each day an elementary class has everyone in attendance and on time, they receive a Wildcat Roar Card. Once the class achieves 10 cards, they earn the celebration of their choice. This system of celebrating success is an action plan created by the Superintendent's Faculty Cabinet. This team benefits from the generous support of Local Education Program Funds from the Nez Perce Tribe. Please join us in thanking them for making these rewards possible! What gets recognized, gets repeated. What gets celebrated, becomes a habit.

Please also join us in celebrating Attendance Clerk, LaTasha Dishion, for coordinating these celebrations!

Staff Qualifications

School districts receiving Title I funds are required to notify parents they may request information regarding the professional qualifications of their child's classroom teacher(s). We are prepared to celebrate our highly qualified staff and share their accomplishments with you on request.

As a parent of a student attending a school receiving federal program funds, you have the right to know:

- Is my child's teacher licensed to teach the grades and subject(s) assigned?
- Is my child's teacher teaching with a provisional license, meaning the state waived requirements for my child's teacher?
- What is the college major of my child's teacher?
- What degree or degrees does my child's teacher hold?

To request the state qualifications for your child's teacher or instructional aide, please contact David Aiken, Superintendent, at (208) 843-2622. If you would like more information about your child's school, please feel free to contact our dedicated principals:
