# WILDCAT ROAR

Congratulations to Mrs. Hays' 3<sup>rd</sup> Grade Wildcat Scholars for achieving a Wildcat Roar Celebration! Each day an elementary class has everyone in attendance and on time, they receive a Wildcat Roar Card. Once the class achieves 10 cards, they earn the celebration of their choice. This system of celebrating success is an action plan created by the Superintendent's Faculty Cabinet. This team benefits from the generous support of Local Education Program Funds from the Nez Perce Tribe. Please join us in thanking them for making these rewards possible!

What gets recognized, gets repeated. What gets celebrated, becomes a habit.

Please also join us in celebrating Attendance Clerk, LaTasha Dishion, for coordinating these celebrations!

We worked with water resource management for the tribe and planted willow trees. Riparian zones with willow trees are vital to beavers and the production of clean water, functioning as a symbiotic system where each element enhances the others' ability to filter and store water. This is helping our community and learning science by doing at same time. Our students have done this now for three years. – Ms. Hewett
