## Wildcat Roar!

Congratulations to Mrs. Sliger's Kindergarten Wildcat Scholars for achieving a Wildcat Roar Celebration! Each day an elementary class has everyone in attendance and on time, they receive a Wildcat Roar Card. Once the class achieves 10 cards, they earn the celebration of their choice. This system of celebrating success is an action plan created by the Superintendent's Faculty Cabinet. This team benefits from the generous support of Local Education Program Funds from the Nez Perce Tribe. Please join us in thanking them for making these rewards possible!

- Please also join us in celebrating Attendance Clerk, LaTasha Dishion, for coordinating these celebrations!

## Ms. Calkins' 2<sup>nd</sup> Grade Money Detectives

My second graders were simply students learning about money, but this week they became detectives! I told them that in order to be a good detective, you have to have a great mustache. In order to earn their mustache, they had to solve the mystery of how much money my piggy bank took. After teaching in my mustache and solving my money mysteries, my students earned their mustaches and became money detectives! They were very engaged and very excited to wear their mustaches the rest of the day. - Ms. Calkins
