STUDENT DRESS AND PHYSICAL APPEARANCE

Dress for success. Students should wear clothing that covers midriffs, shoulders, area below armpits, chests, backs, and underwear. All clothing should be of reasonable length and no bra straps and/or underwear can be showing. This includes shirts, which expose a bare midriff and tank tops with loose arms, which are too revealing. (Athletic uniforms approved separately). Wear clothing free of logos or insignia that depict drugs, alcohol, tobacco, vaping, gang affiliation, or can be construed as sexual, violent, vulgar, racial, profane, or inappropriate in nature. Hoods may not be worn in the school building during the school day. Clothing may not create a health or other hazard to the student's safety or to the safety of others. Parents/guardians will be notified. Further incidents will result in Progressive Discipline.

Dress Code Violation Consequences

Step 1. The student will be asked to change to appropriate dress and will be escorted to the office to change inappropriate clothing.

Step 2. Parents will be notified. Step 3. After repeated violations, students will be subject to progressive discipline.

DISCRIMINATION

The District does not discriminate on the basis of disability in the admission to, access to, or operations of its programs, services, or activities. Individuals who need accessible communications or other accommodations in order to participate in programs and services of the District are invited to make their needs and preferences known to the administration at the District Office.

DISABILITIES POLICY

Programs and related services for students with disabilities are available for all eligible students. Compensatory (remedial) services are available in schools designated as target schools under federal guidelines. Teaching for homebound students, psychological testing, counseling, and social work services are available to all buildings.

Under The Individuals with Disabilities Education Act (IDEA) and Section 504 of the Rehabilitation Act of 1973, the Lapwai School District is prohibited from discriminating against students on the basis of a disability. Lapwai provides a free and appropriate public education to each student within its jurisdiction regardless of the nature or severity of the disability. The school district ensures that students who need or are believed to need special education or related services will be identified, evaluated, and provided with appropriate educational services.

Section 504 also stipulates that students with disabilities have the right to participate in school sponsored extra-curricular programs and activities to the maximum extent appropriate to their needs.

Under Section 504 and IDEA, students with disabilities have the right to be placed in the least restrictive educational environment. To the maximum extent appropriate for the needs of the student, Lapwai will educate students with disabilities within its regular school program.

Students with disabilities and their parents have a number of rights and protections. Questions or requests for assistance or information about services for students with diagnosed or suspected disabilities should be directed to the student's school principal, school counselors, or the Director of Special Services, 843-2622.

STUDENT RECORDS

Student records are maintained in a secure location and are available for review by parents/guardians, students and school staff on a "need-to-know" basis. Federal regulations are in effect governing student records. The regulations are listed in the Federal Register published by the United States Department of Education. If you desire more information about this, please call the superintendent at 843-2622. At times during the school year requests are made by agencies to obtain lists of student names and addresses. Individuals have the right to withhold that information. **Parents who do not want the school to release their child's name and address need to notify the school principal, in writing, each year.**

BUILDING –SCHEDULE

Building Hours

Building hours are from 7:30 am to 4:00 pm. Students are not allowed to enter the building before or after those times unless under the supervision of a staff member. The cafeteria will be open at 7:45 A.M. daily and breakfast will be available until 8:05 am.

Students who are not under the direct supervision of an adult by attending detention, an academic after school program or after school activity, must leave campus by 4:00 pm daily.

ATTENDANCE REGULATIONS

The Board of Directors considers full-time attendance to be an essential element in the student's educational process. Regular attendance fosters a climate conducive to learning, perpetuates effective teaching, protects the integrity of the scholastic day and ensures quality Education. There is a clear connection between student academic success and consistent school attendance. Idaho Code 33-202 stipulates that attendance is compulsory for all children between the ages of seven and sixteen years and those parents/guardians are responsible to ensure that children are in attendance.

Excused Absences

Excused absences shall include approved school activities, personal illness, family emergencies, and pre-arranged absences that are approved by the principal through the office and will be considered on individual merit. Students are expected to make up all graded assignments when possible or practical within a reasonable time after an excused absence. Failure to do so will be reflected in the grade the student will receive for that grading period. Teachers are expected to assist with make-up assignments or activities given in lieu of assignments. In rare instances when neither of the above is possible nor practical, the principal must be consulted and the grade for work missed may not be counted in the final grade computation.

The parent/guardian is asked to call the school (**by 8:00 am**) on the day a student is absent from school. If no call is made, a written statement indicating the reason for the absence should be sent with the student on the day of returning to school.

Pre-Arranged Absences

Pre-arranged absences are those approved by the parents for family trips, hunting, church conventions, etc. A request must be made in advance of the absence with a note signed by the parent or guardian and presented to the office. The request may be made before the absence by telephone, but a written note must follow to enable the student to be excused for the absence.

Arrangements for makeup work are the responsibility of the student, who will be expected to be able to continue with the course work of each class upon return to school after the absence.

Checking in/out of School during the School Day

When a student checks out of school for reasons other than illness (doctor, dental, funerals, etc), a call or note from the parents or guardians to the office requesting the absence is required.

When a student becomes ill while at school, he/she must check out with the office. The office will call home. **Note: A PARENT OR GUARDIAN MUST PICK UP THE STUDENT.**

Students not following this procedure will be considered truant. When a student arrives at school at times other than the regular start of the school day, he/she must check in at the office.

Unexcused Absences

Absences for other reasons shall be considered as unexcused. The student and parent/guardian assume the responsibility for making up the work missed. Work missed during an unexcused absence may be made up for credit based on the administrator's discretion. If student is allowed to make up work missed, full credit will be given.

Suspended Students

On the day of the suspension, teachers will be notified and the assigned work for the student will be sent to the office by 3:00 pm for the parent to pick up the following day. Work missed during an unexcused absence may be made up for full credit based on the administrator's discretion. All work is due upon the return of the student to the classroom.

Tardies

Students are expected to get to class on time. Excessive and habitual tardies are not acceptable and will result in closed campus (HS Only), detention, Saturday School, suspension, or expulsion from school.

Unexcused Tardies (per semester)

3 Tardies in a Week: ½ Hour Friday Detention

4 or More Tardies in a Week: 1 Hour Friday Detention

Truancy

Willful absence of the student without the knowledge of the school or parents/guardians is considered truancy. This includes but not limited to school assemblies and/or field trips during the regular school day. It is unexcused and may lead to Friday Detention, Saturday School, suspension, or expulsion from school. Excessive absenteeism/truancies will result in referral to the Nez Perce Tribal Juvenile Justice Service and Nez Perce Tribal Prosecutor or Nez Perce County Juvenile Court Services and Nez Perce County Prosecuting Attorney. Work can be made up at the discretion of the school administration.

Withdrawal from School

Parents should notify the school if they plan to withdraw their child from this school. Once the withdrawal is validated, the student will be issued a 'Drop Sheet' to be completed by teachers. The 'Drop Sheet' provides the following information: the grade earned by the student at the time of the withdrawal, teacher comments about the student, and an indication of whether or not the student owes any fines. This 'Drop Sheet' is returned to the office and signed by the principal. A copy of the 'Drop Sheet', along with a copy of immunization record if requested, are sent with the student to expedite enrollment in another school.

- Automatic Withdrawal:

Students who don't attend school for 10 consecutive days without parent/guardian notification, will be automatically withdrawn from Lapwai Middle/High School. Parents/Guardians will be given notification prior to this occurring.

Last Day of School

Students are expected to attend the last day of school. Attendance is taken as usual, and routine procedures are followed in terms of attendance regulations, truancy, etc. Final examinations are typically scheduled during the last three (3) days of school. Students are not allowed to take final tests prior to their scheduled time.

Reminder: students are required to clear their lockers and take home personal items prior to the last day of school. Any items left in lockers at the conclusion of locker cleanout will be removed.

ATTENDANCE-BASED CREDIT DENIAL –

Students in grades 6-8 are expected to attend school on a regular basis. Excessive absences, unexcused absences and/or trancies will result in failure of classes and/or required remedial activity. All absences are subject to review.

All students in grades 9-12 are expected to attend school on a regular basis. Credit will be withheld for excessive absences, unexcused absences and/or trancies. All absences are subject to review. Patterns of excessive absences, unexcused absences, or trancies will result in denial of credit in the related class or classes.

Administrative Procedures

- A) Parents/guardians will be notified in writing if a student has accumulated in excess of six (6) absences and (12) absences in one or more classes.
- B) Students with ongoing attendance problems will be referred to the administration to determine action to be taken.
- C) If a student exceeds twelve (12) absences in any class during a semester, credit may be withheld.
- D) Parents will be notified in writing if credit is withheld.
- E) If a determination is made to withhold credit, the student may make an appeal to the Lapwai Attendance Committee.
- F) If an appeal is made, it is the responsibility of the student/parents to provide substantial documentation that:
 - 1) Clears up unverified absences, unexcused absences or trancies.
 - 2) Illustrates extenuating circumstances that led to excessive absences,
 - 3) Health or legal issues preventing the student from attending school.

Appeals Process will be reviewed with students and Parents by Administration when necessary.

ACADEMIC DISHONESTY or ALTERATION OF RECORDS

Any student who knowingly submits any work of others fraudulently represented as his own shall be considered to have cheated. Cheating includes citing and abetting or cheating by others. A student who cheats may be subject to suspension.

A student who falsifies or alters a school record or any communication between school and home shall be guilty of misconduct.

ACCIDENTS/ INJURIES /INSURANCE

If a student is injured during the course of the school day, he/she should report to the office to receive assistance and/or contact parents. An accident report will be filed in the office.

The school district does not provide medical insurance to automatically pay for medical expenses when students are injured at school. This is the responsibility of the parents or legal guardians. The district does make student medical insurance available to families for their individual purchase. Brochures outlining the coverage and premiums are available at the school office.

ACTIVITIES AND ATHLETIC PROGRAMS

Students who attend games, music programs, dances, or any other school-sponsored after-school activities are governed under the same rules and regulations set forth in Lapwai School District Rules and Regulations, the Student Handbook, Athletic Handbook and Idaho Code. All lockers are equipped with lock to protect items that are stored within them. However, students are encouraged to not bring any items of value to school for the risk of being lost or stolen. Each student will receive a combination for their locker. It is the student's responsibility to remember their locker combination and to keep it locked at all times when not in use.

The district's policy concerning the inspection of student lockers is as follows:

The school has the right to search a student’s personal belongings, a student’s vehicle, and/or the student themselves based upon reasonable suspicion, when it is in the best interest of the safety and welfare of other students. Student lockers remain the property of the school, and school officials retain the authority to inspect lockers. Law enforcement and/or security agencies that utilize “drug dogs” may be asked to provide random searches of the school campus (includes, but not limited to, classrooms, lockers, bathrooms and cars). Prohibited material or other items reasonably determined to be a threat to the security and safety of an individual student or others may be removed from the student’s possession. A reasonable effort will be made to notify the parent or guardian.

BEHAVIOR EXPECTATIONS

See Student Code of Conduct <http://www.lapwai.org/board/policy/500/500.php>

The **PBIS Plan** emphasizes teaching students to behave in ways that contribute to academic achievement, school success, and support a school environment where students and school staff are responsible and respectful.

The PBIS Plan will include: teaching school rules, reinforcing appropriate student behavior, using effective classroom management and positive behavior support strategies by providing early intervention for misconduct and appropriate use of consequences.

The educational purposes of the schools are accomplished best in a positive school climate that teaches, models, and reinforces student behavior that is socially acceptable and conducive to the learning and teaching process. There must also be a consistent continuum of consequences for ongoing student misconduct across the Lapwai School District.

One of our school improvement goals is to improve student behavior through **Positive Behavior Interventions and Supports (PBIS)**. To achieve this goal, three overarching rules have been adapted for our school: **Be Respectful, Be Responsible, and Be Safe**.

Below are the Lapwai High School PBIS behavior expectations. This matrix describes the expected behavior for every location on our school grounds. These behavior expectations will be taught explicitly, modeled, practiced, and positively reinforced. Students will be acknowledged for successfully managing these behaviors.

UNIVERSAL CONSEQUENCE SYSTEM

A universal consequence system will be a clear and observable system of behavior checks. By having a physical, step-by-step consequence system students will be held accountable for their actions and teachers will be accountable to give consistent and fair consequences. This universal consequence system will provide adequate documentation necessary for discussion with

parents and problem-solving on a school level. With a consistent system among staff, it will be easier to prioritize large-scale improvements at the school.

1. Each teacher will have a system of **THREE warnings for behavior**. Each warning will produce a leveled consequence.
2. Each teacher will have a **PHYSICAL display** of the consequence system.
3. All warnings and leveled consequences (whether administered by teachers or administration) must be **expected and consistent**.

Warning 1: Verbal Warning

Warning 2: Verbal Warning PLUS Corrective Teacher Intervention

Warning 3: Verbal Warning PLUS Corrective Teacher Intervention

Write Up 4: Write-Up with Corrective Teacher Interventions noted

BULLYING/HARASSMENT

Bullying is when one or more people cause physical, verbal, or emotional harm to another. To help all students feel safe at school, we have a concerted effort to stop bullying.

COUNSELING SERVICES

The Guidance and Counseling program in the Lapwai School District is an integral part of the total educational process. Counseling services include individual counseling, group counseling, career guidance, testing, and coordinating referral service. Counseling is also available to students to help in class selection to best meet their needs to enter the world of work as a productive citizen. Students are encouraged to talk with their counselor at least once per semester.

Services

CLASS TRANSFERS

- o Students will not be permitted to transfer classes after the first week of the semester. Students dropping a class after the third week will receive a failing grade for the semester (except in unusual cases. These cases must be approved by the building principal AND school counselor).

COLLEGE ADMISSION AND FINANCIAL AID

- o Students should recognize the importance of their school records for financial aid and admission to college. This record is the accumulation of efforts beginning with the entrance into school and continuing through the senior year. It includes not only grade point average, but also course selections, test results, activity participation, leadership, attendance habits and citizenship.
- o All colleges in the State of Idaho are implementing entrance requirements beyond having an Idaho high school diploma. See the guidance counselor for specific information on admission requirements, College Entrance examinations, the American College Test, and general scholarships and financial aid information. Each year the counselor calls special meetings and makes announcements regarding admission scheduling of special entrance test and financial aid. It is essential that students attend sessions and note announcements in order that they might become aware of deadline dates for entrance applications and financial aid applications.

- SCHEDULING

- o All students in grades 7-12 will be required to carry a full schedule (6 hours per semester).
- o Middle School students may only change elective classes at semester. Core classes are assigned and are not flexible.
- o High School students may change schedules at semester. All changes will adhere to Idaho graduation requirements. The requirements for making scheduling changes are:
 - Schedule changes must be made prior to the 6th day of the semester in order for the student to receive semester credit for the course.
 - Only the School Counselor or Principal can change a course.
 - All changes require a completed drop/add form.
 - The teacher's signature on the drop/add form confirms the course change.
 - The student must return the drop/add form **MUST BE** to the school office immediately for validation. Failure to return the form in a timely manner may cause an incorrect class schedule; failure to meet graduation requirements; or lead to loss of core credit needed for high school graduation.
 - Only 10th – 12th grade students in accelerated academic standing with a cumulative 2.8 grade point average, good attendance, and no major violation of school rules, may be a teacher's aide (TA).

There will be signage at the front door that reads "Please use the intercom for school safety."

FIRE DRILLS/EMERGENCY EVACUATION

An emergency evacuation map is posted in each classroom. Students must become familiar with escape routes from each classroom. When the alarm is sounded, students are asked to move quickly and quietly when leaving the building. Students are to stay with their assigned teacher and await further instruction.

The safety of our students is always our first priority in the Lapwai School District. We have clear and practiced procedures in each building in the event of an emergency situation. We would like to thank you for your willingness to check into the office when visiting our schools. All parents, family members, and visitors must report directly to the office upon entering the building. Thank you for your patience when questioned and approached by staff in our schools, as they have been trained to approach and intercept visitors. We have minimized access to our buildings with most doors remaining locked at all times. We welcome and encourage visitors, yet we must enforce safety procedures and precautions to protect our students.

A critical component to our emergency procedures are lockdowns. Securing the building during emergency situations to keep our students safe is a process we practice regularly. In the event of a real emergency, parents would be notified immediately by telephone using our automated phone alert system. We would also communicate through the Nez Perce Tribe and media. Please do not be concerned regarding practice drills. Again, real emergencies will be communicated to parents as immediate as possible. It is critical to keep us informed about changes in your contact information, ensuring we have correct phone numbers on record. Should you have questions or concerns, please do not hesitate to contact Dr. David M. Aiken, Lapwai School District Superintendent, at [\(208\) 843-2622 ext. 1202](tel:2088432622).

Student Use of School District Internet

Policy Title: INTERNET ACCEPTABLE USE POLICY Code: 503.12

We are pleased to offer students of Lapwai access to the Internet in the library and in several classrooms. This service will offer vast, diverse and unique resources to both students and teachers. The Internet is an electronic highway connecting thousands of computers all over the world. To gain access to the Internet, all students must obtain parental permission and must sign and return this form to the Technology Coordinator of each building.

Access to the Internet will enable students to explore thousands of libraries and databases. Families need to be warned that some material accessible via the Internet may contain items that are defamatory, inaccurate or potentially offensive to some people. While our intent is to make Internet access available to further educational goals and objectives, students may find ways to access other materials as well. Lapwai School District specifically denies any responsibility for the accuracy or quality of information obtained through its Internet services. We believe the benefits to students from access to the Internet, in the form of information resources and opportunities for collaboration, exceed any disadvantages. But ultimately, parents and guardians of minors are responsible for setting and conveying the standards their children should follow when using media and information sources. To that end, the Lapwai School District supports and respects each family's right to decide whether or not to apply for access.

INTERNET RULES:

- Students are responsible for good behavior on school computers.
- Communications on computers are often public in nature. General school rules for behavior and communications apply.
- The Internet is provided for students to conduct research and communicate with others. Access is given to students who agree to act in a considerate and responsible manner.
- Parent permission is required.
- Access is a privilege, not a right.
- Individual users of the Internet are responsible for their behavior and communications.
- It is presumed that users will comply with district standards and will honor the agreements they have signed.
- Beyond the clarification of such standards, the district is not responsible for restricting, monitoring or controlling the communications of students using the Internet.
- Within reason, freedom of speech and access to information will be honored.
- During school, students will be guided toward appropriate materials.

NETWORK ETIQUETTE:

- You are expected to abide by the generally accepted rules of network etiquette. These include (but are not limited to) the following:
