## Supaman

Lapwai Middle-High School welcomed Native Hip-Hop artist Supaman to our school on October 20th. He spoke to the students about the strengths we can all cultivate in our own lives that make us more resilient and shared his outlook on life. He entertained all with his music, his humor, his

inspirational advice and his magical presence.

Check out Supaman's song "Why" on Youtube at <https://www.youtube.com/watch?v=OiVU-W9VT7Q>, featuring world champion dancer Acosia Red Elk

In September the Lapwai Middle-High School student body attended an assembly hosted by the Nez Perce County Sheriff's Office. The assembly presentation "On the Safe Side" provided students with stories of hope from role models who were able to take the adversity in their life, learn from it, and create positive change.

## COUNSELOR'S CORNER

Greetings from the Counselor's Corner:

This is an exciting month in the counseling office. We have done several one-on-one Career and College Guidance Sessions. If you are interested in setting up a meeting to discuss gradation or future planning for your young learner, please contact our office.

Lapwai High School Juniors will be taking the ASVAB (Armed Services Vocational Aptitude Battery) on Tuesday, Dec 8th. The "Student" ASVAB is a great career assessment tool that can help you identify which career areas best suit you. Because this is an aptitude test it doesn't just tell you what you are currently good at, it will also tell you what you may be good at learning. You may know nothing about electronics but your scores may say you have the ability to learn electronics.

The ASVAB does not obligate you to anything. It is just a test used by the military to determine if you are qualified to join and what area or areas you would excel in. Your scores are not only used to determine which service you are qualified to join, but also which jobs within that service you are qualified to do. The

higher you score the more career options you have. In addition, your score can directly affect your eligibility for bonuses and money for school.

### Indian Parent Committee

The Lapwai Schools Title VII/JOM Indian Parent Committee is holding its Annual Meeting October 28th 5:30 p.m., Lapwai High School, in the library. All parents are invited to attend.

The Lapwai Indian Parent Committee also has two vacancies to fill. Please submit a letter of interest to Dave Penney, Indian Education Director, 404 S. Main, Lapwai, ID 83540 or drop your letter off at the high school by November 5th. Qualifications - you are a parent or legal guardian of an Indian student enrolled in the Lapwai School District.

## PLCs!

What are all the teachers doing at school before 7 am on Wednesdays, lately even before the sun comes up? Participating in "PLC Teams", that's what!

PLC stands for "Professional Learning Community", a group of educators collaborating to improve teaching skills and academic performance of students.

In Lapwai School District, all staff members at both schools participate on a PLC Team.

Here at Lapwai Middle-High School our PLC Teams include:

1. Curriculum and Instruction
2. Positive Behavior Intervention and Supports (PBIS)
3. College and Career Readiness
4. Culturally Responsive

Teams meet once a week to work on a goal or on a set of goals that tie into our overall goal for the entire school.

Lapwai Community Coalition

### Red Ribbon Week

The Lapwai Community Coalition and the Lapwai Middle/High School students will be celebrating Red Ribbon Week Oct 23-31. Student will be signing pledges to be drug free that state "These Paws Don't Touch Drugs". Also on Wed the 28<sup>th</sup> it will be "Team Up Against Drugs" where students will wear their favorite team Jerseys to support no drug use.

The Red Ribbon Campaign started when drug traffickers in Mexico City, murdered DEA Agent KiKi Camarana in 1985. This began the continuing tradition of displaying Red Ribbons as a symbol of intolerance towards the use of drugs. The mission of the Red Ribbon Campaign is to present a unified and visible commitment towards the creation of DRUG FREE AMERICA.

## **Library Notes from Mrs. Coats**

Tips for picking out just the right book:

- 1– Read the title, check out the picture on the cover. Yes, sometimes you CAN tell a book by it's cover.
- 2– Read what it says inside the cover and on the back of the book. Does it sound interesting?
- 3– Open it up and read the first few sentences, or a couple paragraphs. Do you like the author's "voice"?
- 4– Ask Mrs. Coats for help in picking a book. Be sure to tell her what you like: Adventure, scary stories, romance, real life stories, fantasies?
- 5– Already have a book you loved? Look for a book by that same author!
- 6– Once you take it home, give it a chance. Some books don't really get great until you get into them a bit. But, if you just can't get into it, don't give up! Reading should be fun! You just need to find the right book! Take it back and get another one!

Lapwai Middle/High School Library offers books for check out and computers for research and information as well as space for students to socialize and relax.

## **Class Notes**

From Stacey Kennick in Lapwai High School's Special Forces room:

During the first quarter, the High School Special Forces team has been working in the curriculum "Brainology." Brainology teaches students the difference between a 'fixed' mindset and a 'growth' mindset. By changing one's mindset to a growth mindset, students are able to see themselves more as learners that learn from mistakes instead of failing to attempt something due to the level of challenge or fear of possible failure.

In this first quarter, we have focused mainly on the parts of the brain, and what we can do to optimize its potential, such as getting plenty of sleep, exercising it (learning) and feeding it well. As we continue through the first quarter, we're going to be learning about challenges, stress and the affects it has on our brains as we try to think and learn through stressful situations.

In Mr. Bovard's room, students are working on algebraic equations in one hour, and factoring bigger numbers in another. Students have the opportunity to ask about questions they struggled on in their homework as well as learn about new concepts before they're taught in their math classes.

## Lapwai Students Wow the Judges!!!

Congratulations to all of the FFA students who participated in the fair! Here is how things turned out for them:

Betsy Spaulding took a 1300 pound market steer to the Nez Perce county fair where she placed third in class in her market class on Thursday. Friday she completed for Showmanship. She won the Senior Division for Showmanship and then had to compete against all of the other divisions to win Overall Showman in the beef department. By winning Overall Showman she then moved on to compete in the Round Robin where you are required to show a sheep, a goat, a fat steer, a feeder steer, pig, and chickens. They also have showman from all of those departments competing in the Round

Robin as well. The person who shows all the species the best wins the Round Robin, and our Betsy did just that! She was the Top Showman for the 2015 Nez Perce County Fair!

Betsy Spaulding with her prize steer

In the swine department, we had Tommy Williams, Teegan Tucker, Jon Pierce, Imani Mitchell, Courage LoneBear, Micah Bisbee, Evelyn Bohnnee, Ivory Williams, Rebecca Pierce, and Kalela Reuben competing. Thursday for Quality Showing; Tommy, Teegan, Rebecca, Evelyn, Micah, and Kalela all represented Lapwai in the Grand Champion Round. Of the 15 animals competing in the Grand Champion Drive, 11 of them were bred and raised by Betsy Spaulding.

Evelyn Bohnnee

Friday for Showmanship in the swine department, we had a great run! All of them made it to Champion Round. Ivory Williams and Teegan Tucker won the overall FFA Showman in the Swine Department and moved on to compete against the other divisions to determine who would be the Grand and Reserve Champion of the Swine Showman for 2015. Ivory Williams was the Reserve Champion overall for the swine department, where he then had the opportunity to compete in the Round robin against Betsy and other showman.

Lapwai FFA goat department flourished as well. Thursday they all competed with Boer Goats in Quality and were all awarded blue ribbons! KC Lussoro, Kelani Smith, and Lucy Bohnnee all went back for the Champion drive for Overall Grand and Reserve Champion Market goat. Friday they also competed in Fitting and Showing where Lucy Bohnnee was

awarded Grand Champion Showman and KC Lussoro was awarded Reserve Champion Showman!

Amil Mitchell went out on a limb this year and showed a lamb at the fair. She was our only participant in this department and did very well for her first year competing. She placed third in the market class and was the Grand Champion FFA showman for the sheep department!

Britnee Lussoro

I would like to thank all of the parent and community members who came out to the fair and supported these amazing kids. They put a great deal of time and effort into these projects and enjoy seeing their hometown crowd there cheering them. A special thank you to the Clearwater River Casino and Nez Perce Tribe for their support during the Saturday evening sale. You truly inspire our students to push themselves outside of their comfort zone, just being a presence and supporting these young people.

Above are two on-line options in which to view your student's current progress in school. Your student has their own log in name and password. Once you enter the default password, it will ask you to change your password to a new one. Please select a new password that both you and your student can easily remember. If you forget the password, call 843-2241, and our office staff can help to reset your password. Please contact your student's teacher to discuss your student's academic progress.
