

THE WILDCAT CALL

Lapwai Wildcat's Football Senior Night

The Lapwai Wildcats will be hosting Senior Night on our home field. We will be highlighting all of the senior football players on their special night. They're loved ones will be gathered on the field, commemorating the participation of their seniors. The football game will be on home field on Friday, October 27th, at 7:00 p.m.

Red Ribbon Week

Red Ribbon Week is an alcohol, tobacco, and other drug and violence prevention awareness campaign, which occurs from October 23, through to October 31. This week was designed in an effort to create and promote awareness of devastating affliction, which plague the youth of today. Many schools across the US take part in Red Ribbon Week by taking action to create safe and violent free communities. Students often take part in a Drug Free pledge, a pledge that promises they will not harm themselves with the use of drugs or alcohol. With effort we too can remain a prosperous and drug free school.

POX BOX QUOTE

"LIVIN"

Counselor's Corner

REMEMBER JUNIORS AND SENIORS who signed up for the SATs; we will be leaving the school at 7:00 am, Saturday October 28th, 2017.
