

# THE WILDCAT CALL

## Announcement from US to YOU

We here at the Wildcats Call would like to make a HUGE request to all of our wildcat readers. If you or someone you know has an interesting, or noteworthy event or accomplishment worth putting in the news do not hesitate to email to us about it at [wildcatscall@lapwai.org](mailto:wildcatscall@lapwai.org). All of us at the Wildcats Call would like to show our appreciation to those that read our paper, and watch our videos. Thank you!

## Family Link

Family link is important to have; you can use it to check in on your grades whenever you please. You can see how much time you've missed school, or what your past test scores have been. Family link is a great way for you to ask questions on what you've been missing, or even just wanting to know if you're still maintaining your GPA.

The Family Link Login Information - to check your academic progress and grades, go to:

1. [www.familylink.lapwai.org](http://www.familylink.lapwai.org) or
2. [www.lapwaidistrict.org](http://www.lapwaidistrict.org)

## Elementary School Book Fair

Vickie Coats, or formerly known here as Mrs. Coats, is the librarian down at our elementary school. Next week from Tuesday the 12<sup>th</sup> to Thursday the 14<sup>th</sup> she is hosting a book fair and welcomes all wildcats. The book fair will be open during school hours on Tuesday, and Wednesday, but on Thursday the time will change to 3:30-5:30. Be sure if you have time to spare to check it out!

### ACT PREP

Just one more reminder Lapwai High School students! If you are taking the ACT Test December 9<sup>th</sup>, the bus here leaves at 7:15 am. If you want to study before the test, come down to the Higher Education room!

## Nez Perce Education

Of course getting an education is very important. As Nez Perce people, we pride ourselves with our education. Plenty of graduates and college students go to the Nez Perce Education building to help with scholarships and anything else that needs to be done pertaining to their education. We talked with one of their employees at the Education Building. Diane Ellenwood is the Nez Perce Tribal Administrative Specialist II. She works with Tribal college students by assisting them with scholarships and helping the Education Manager with anything she needs. The department has a student/client computer and printer for any student. They get a scholarship assistance that is online as well. Diane is working on her Bachelor's Degree at NWIC. Her words of encouragement for us would be to use what we have now to better our education, and to work hard to maintain a great GPA!
